Heavy rains, last week, in Iredell county.

Goldboro' is talking about a gas company.

No fatal cases, as yet, among the horses in Raleigh.

The Raleigh merchants are preparing for ox-horses.

The Raleigh Sentinel calls for a public reading room.

The Tarboro' Bank Building is to be sold on credit.

Only one death, as yet, among the horses in Goldboro'.

The Yarrowburgh House "waggon" bag-on is drawn by oxen.

The Newbern News fears that the horse malady is in that city.

Col. Thos. P. Alston, a citizen of Warren county, died a few days since.

Col. McHaffey, living near Newton, raised on eight acres of land 550 bushels of corn.

Eight hundred men are employed on the air line road from Atlanta, Ga., to Charlotte, N. C.

The young men of Wilson have concluded to have a tournament on or about the 27th instant.

Jim Alexander killed "Caleb Hensley," both colored, at a corn shucking near Salisbury, last Friday night.

Rev. Jas. Reid, Superintendent of Public Instruction, died, at Greensboro' suddenly on Friday evening.

Gov. Caldwell has commissioned C. R. Thomas as Congressman from the 2nd District to the 43rd Congress.

Mr. John B. Hussey, of Catawba, withdraws as a candidate for Reading Clerk of the House of Representatives.

Dr. Benbow is having constructed in his hotel, at Greensboro', electric annunciators after the most approved style.

Mr. W. J. Uzzell, father of Mr. W. H. Uzzell, of the Raleigh News, died very suddenly on Friday at Petersburg.

Col. S. D. Pool, of the Northern District of Commerce, is a candidate for Principal Clerk of the House of Representatives.

The ladies of St. Stephens' Church, in Goldboro', are to have a religious festival Wednesday and Thursday evenings.

The State Council of the Friends of Temperance of North Carolina will meet in Fayetteville, on Wednesday next, the 15th, at 10 A. M.

The Bartoloway Advance says: Mr. J. B. Moore, of Nash, informs us that he has made this year seventy-five bales of cotton on seventy-five acres of land. This is hard to beat.

The Raleigh News says: Hockett, the celebrated buggy horse of C. L. Tucker, reached his 21st year in October last, was never sick a day in his life, and is said to be epileptic.

The Charlotte Observer says: The Companies of the Fourth Artillery, stationed at this post, we learn, will leave next week for the Pacific coast, California or Alaska, it is not known which.

The Magnolia Advertiser says: J. W. Swinson, Esq., of this township, planted one-sixth of an acre of sugar cane, from which he has made fifty-six gallons of syrup, worth \$1 per gallon.

The Newbern Times says: We are pleased to note that E. R. Stanley, Esq., President of the A. & N. C. Railway, is improving very rapidly and will be able to resume his duties in a few days.

W. H. Uzzell, Esq., one of the proprietors of the Raleigh News, was summoned on Thursday morning to the bedside of his father, who is now in a declining stage of illness, and is expected to die.

The Hillsboro Recorder says: Mr. Jno. White, of Chapel Hill, writes us that he raised this year on his lot two sweet potatoes weighing each about 100 lbs. One of them weighed 100 lbs. and the other 100 lbs. and the other 100 lbs.

The Tarboro Southern says: The polls in that township on Tuesday last disclosed the fact that the number of colored voters were cast by negro boys under 21 years of age, all of whom had registered a few days previous to the election.

The Raleigh News says: The official returns from the polls in that city, as far as heard from, the indications are that Grant's vote will fall at least ten thousand votes under the Caldwell vote, and Greeley twenty thousand votes under the Caldwell vote.

The Greensboro Patriot says: Mr. Julius Gray presented the Fire Company and Hook and Ladder Company last week with \$200 as a recognition of the services rendered when his house was burned. We take pleasure in recording such acts of liberality.

The Greensboro Patriot says: We saw on our streets Tuesday, Mr. Wm. Farmer, an old gentleman of 80 years of age, who came to vote and set an example to the laggards. There are but few, unfortunately for us, of these old-time patriots left.

The Raleigh News says: Rev. James Reid, the so-called Superintendent of Public Instruction, was taken violently ill on the Raleigh & Gaston R. R., while en route to this city yesterday morning. On his arrival he was borne to the White House Hotel, where he is now lying quite ill.

The Goldsboro Journal says: An out-house on the farm of F. H. Sasser, Esq., near the home of the late Mr. Sasser, which was stored a few barrels of cotton, was burned to the ground at an early hour on Friday morning last. The fire is supposed to have been the work of incendiarism.

The Statesville American says: Mr. Toney Wilson, of Ohio, who was returning home from a trip South to sell tobacco, and had stopped at the boarding house, has made this place, last Wednesday, with his team, and while attending to the horses, was killed by one of them and died a short while afterward.

The Wadesboro Argus says: On Tuesday there was in our office a Mr. J. A. Saunders, living in this county, who paid for the Argus the 20th time. He commenced with the first issue (1848) so he informs us, and has taken it steadily ever since, and means to take it the balance of his life.

The Raleigh News says: The latest report from the home of the late Mr. Sasser, last evening show a large increase of cases since morning. Nearly every horse in Wynn's stable has taken the disease, and it is believed that the disease will necessarily will compel this church to temporarily suspend business.

The Goldsboro Messenger says: We hear it rumored on our streets that the horse epidemic, which has made its appearance in this place, there are a number of horses here, said to have all the symptoms of the disorder, but that the city traders several farmers were upon the city yesterday offering \$8 per day for teams to haul their cotton into town, as they were afraid to bring their own teams because the disease was raging. But few wagons were at the market yesterday, and the supplies were necessarily cut short. All the wood hauled into the city from the country was drawn by oxen.

One of W. C. Smith's four oxen was drawn by oxen yesterday. Other grocers and cotton factors have oxen in readiness, and it is but just possible to suppose that every day the city will be supplied with this "valuable" means of conveyance Saturday night.

The Salisbury Watchman says: The performance of Miss Jennie Patterson at this place was admirable. We were under the impression that some of the notices of the press, concerning her readings and recitations, had been exaggerated; but, after hearing her sing, we are compelled to say that all that we have read of her charming and interesting performances.

The Winston Sentinel says: One of the Juniors selected by Deputy Marshal Masten to perform the duties of the late Mr. Masten at Greensboro', took the money he received for his public services and traveled West in company with one of his neighbors' daughters-in-law, and several children behind—four of them sick. The Sentinel calls it "loyal economy."

The Salem Press says: The partridge trade promises to be as brisk as usual, as a result of the late season. An order from England for a thousand pair of live partridges was received on Friday.

On the 14th of August, a man named John, who was a member of the North Carolina Militia, was killed by a bullet from a rifle, while he was engaged in a fight with a large, which can be seen at his house.

rather better than usual and will likely get the crop in before Christmas. They manifest unusual industry in the preparation of the crop, and are sanguine people begin to believe that Greeley will carry the State. We have not had many heavy frosts, only enough to color the leaves of the cotton, and the still smiling summer leaves the coyote roads into bloom.

Very respectfully,
E. D. COVINGTON.

Henando, Miss., October, 30th, 1872.

South Carolina Items.

Bishop Howe preaches in Marion on Sunday.

Mr. W. T. Jones, a former resident of Aiken, where his parents at present reside, was recently shot and instantly killed in the town of Baldwin, Miss.

The Marion Crescent says: On Friday, the first day of this month, the house of P. P. Howell, Esq., was burnt, and about 40 bales of cotton were destroyed in it. The fire was caused by a match in the cotton. Loss about \$3,500.

The Charleston Republican says: A colored girl was run over by Monday morning on the Charleston and Greenville Railroad. She had both legs cut off above the knees, and lived but a few hours. The child's name was Amy Danced aged about eleven years.

The Columbia Carolinian says: The gin house of Mr. Edward Davenport, of Newberry county, was burnt on Tuesday night last, and twenty-one bales of cotton consumed in the building. The work of an incendiary. On the Tuesday previous, the kitchen of Mr. Albert Spearman, of Jalapa, Newberry county, was burnt by an incendiary.

The Marion Crescent says: The camp-meeting at Centenary, which began on the 1st inst., and ended yesterday, was of unusual interest. The attendance was very large—on Sunday reaching among thousands. Much religious fervor was evidenced, and a great deal of good effected. Some 35 or 40 persons professed conversion and about 25 were added to the church.

The Baptist State Convention will convene at Darlington on Monday, November 11th. Rev. J. Winkler is to preach the Introductory Sermon, according to the appointment made at the last session. Rev. James C. Furman, D.D., is to preach the Introductory Sermon, according to the appointment made at the last session. Rev. James C. Furman, D.D., is to preach the Introductory Sermon, according to the appointment made at the last session.

The Charleston Courier says: Mr. Jas. Alencro, Jr., only son of the late Mr. Alencro, died at the residence of his father, at Lockport, New York, on Saturday last. The deceased had recently graduated at the law, and was a member of the New York bar.

The Raleigh News says: The Philadelphian in a recent issue has made a report of the analysis of the stomach of the late Rev. Dr. Smith. He found a slight trace of poison in the stomach, and found a quantity of arsenic in the stomach.

General O. O. Howard has just returned from his second mission to the Indians, and has succeeded in well. Mr. Vincent Colyer did last season, in inducing old Codiche, once an Apache chief, to forsake the snows of the mountain and accept of civilization. He leaves for the reservations for the winter. Fortunately, the General brought no Indian "braves" with him on this occasion.

A postmaster in New Jersey, whose salary has been increased by the recent adjustment of salaries, by some \$70, writes to the Department that he thinks the amount greater than the business of the office will warrant, and says he will be perfectly content to receive the amount previously fixed as his compensation.

A train on the Indianapolis and Vincennes Railroad has been thrown from the track on Thursday, one mile east of Sunburn, Ind., by a plank maliciously placed across the track. The engine was wrecked, and the engineer, Dr. Messinger, and the fireman, Arthur Hamlin, were instantly killed.

Arthur Hood, R. K. Hines and O. A. Lochard, commissioners appointed by a decree of the Supreme Court, to sell the land at Bunkersville, on the first Tuesday in January next, the Brunswick and Albany railroad, extending from the harbor at Brunswick, Me., to the town of Albany, Ala., a distance of 240 miles, with right of way, equipments and property, real and personal, and franchises and privileges.
